Hi Kristen - Unfortunately, section 2.7.4 f of the contract prohibits reimbursements for travel expenses, so I wouldn't be able to approve this request.

Hi Emily,

We have a client who went out of state for the holidays with a relative and the relative's car was stolen, leaving her stranded. She is 32 weeks pregnant and concerned about missing her prenatal visits and delivering outside of the state, but has no resources to get back. Is this something ATA could assist with?

Thanks for processing with me.

Kristen
